Hi, Blazer Learning Community Parent/Guardian/Caregiver:

Our school year is off and running through providing various learning options for our students. Teachers have prepared their classrooms for a positive learning experience, while supporting social distancing; as per the [Pennsylvania Department of Health](#) and the [Pennsylvania Department of Education](#) guidelines for Pre-K - 12 schools and continuing to establish a relationship with the teachers during this time, as working together will be paramount towards the success of this school year.

As per our [Blazer Learning Community Health and Safety Plan](#), all staff and students are required to complete the COVID – 19 screening [questionnaire](#) or complete the [digital Health Screening Form](#) electronically and submit daily for your child(ren) until a more robust and user-friendly app replaces this paper copy and the digital *Health Screening Form* within the next week or two. It is imperative that this is done prior to attending school each day, as we each play a very important role in mitigating the potential of COVID-19 community transmission.

The Daniel Boone Area School District is committed to maintain the safety of all students and staff. Continue to practice social distancing, wearing face coverings and frequent hand washing. Students and staff are asked to continue to monitor their health. If you/your child is displaying any of these symptoms, please contact your medical provider.

We continue to be excited to safely share the spaces in our District buildings, as well as the expertise and compassion of our staff through the offered alternate learning environments for our students and families that serve as the cornerstone of what our *Blazer Learning Community* is all about...children, families, and community - *Learning Together and Advocating for ALL!*
