Blazer Families,

Over the course of the last 6 years, we have grown our academic partnership with Reading Area Community College. In doing so we have been able to offer dual enrollment opportunities to our students and families at DBAHS. This year I am proud to say that we have the most dual enrollment offerings to date. This opportunity not only affords students the ability to earn college credit, but the credits are also at a reduced tuition rate of 99\$ a credit.

The following link is for the complete listing of 22/23 dual enrollment course offerings.

[22/23 DBAHS Dual Enrollment Course Offerings](#)

For detailed instructions on how to enroll please visit
www.racc.edu/DE.

Dual Enrollment Course Registration due date is – September 30, 2022, please plan accordingly.

- Students will complete the paper registration **OR** the online registration www.racc.edu/DE. This process has not changed.
- For the online registration, sign in with google.
- **New** students to dual enrollment must apply to the college. This is the most missed step!
- All students must complete a course registration.
- Transcripts for dual enrollment students must be submitted yearly with the registration, as part of RACC's multiple measures. Counselors will upload a transcript with the online course registration. Transcripts must accompany the paper registrations at pick up.

In addition, there is some great news – our school is eligible for the **Dual Enrollment scholarship for fall 2022**. This scholarship is through the Educational Improvement Tax Credit (EITC) Program. Businesses continue to be very generous to support our high school students. There is a financial eligibility requirement for this scholarship. This is the same scholarship that has been offered in past years. The due date is **September 30, 2022**.

There is a Dual Enrollment Student Summer scholarship and an Early Admissions scholarship for academic year 2022-2023. They are on RACC's website, as well as attached. Scholarship inserts are also included in the DE folders that will be delivered to the dual enrollment classes this week.

The DE Student Summer Scholarship is for students that register for DE this school year – they are eligible to take a summer course(s) at the DE rate! www.racc.edu/DE. There is nothing the student needs to do now to apply for this (other than register for DE). The scholarship application will be when they enroll for summer semester.

The EA Scholarship is for students taking a class with RACC online or on campus. This is not taking a class in the high school. This scholarship is \$50 per credit. [Admissions: Early Admission for High School Students | RACC](#)

If you would like more information, we will have RACC staff on hand at our Back-to-School Night on September 12, presenting information regarding dual enrollment and financial aid. The presentations will begin at 5:00pm.

Thank you,

Aaron Sborz
Principal DBAHS
